

REMARKS

This Amendment is submitted in full response to the outstanding Office Action of June 19, 2000. Submitted herewith is new claim 27 which is a duplicate of amended and allowable claim 26 submitted in the previous amendment. As confirmed by the Examiner, amended claim 26 was inadvertently canceled in said previous amendment despite being allowable. No other claim was intended to be cancelled in its place.

Accordingly, based on the above remarks and the contents of the references of record, the Examiner is respectfully requested to reconsider his position. Since nowhere in the art is this new, novel and not obvious combination to be found, taught, or suggested, it is urged that this case is now clearly in condition for allowance and, accordingly, the same is solicited.

Respectfully submitted,
